## It's Hurting for the First Time

Seven hundred times  
I thought of you  
A voice of innocence  
I hear it calling  
I know it's you

Now I realize  
That it's just hurting  
For the First Time  
I feel it aching  
I know it's you

Seven hundred lies  
Seven hundred ways  
To hide the fact  
That I am longing  
Longing for you

But now I see it... I feel it...  
It seems so right  
A trace of light  
That I will follow  
Till I reach you

# Künstliche Welten

Ich komm' zu dir  
Halt deine Hand  
Wir gehen gemeinsam durch dies' wunderbare Land  
Das ich für dich erfand  
Mit mathematischem Verstand

Ein Wunder hier  
Ein Traum gleich dort  
Grad' noch hier und doch schon fort  
Ich zeige dir mein Angesicht  
Doch du siehst mich nicht

Ich weiß genau was dir gefällt  
Ich schaff' dir eine neue Zauberwelt  
In der kein Regen fällt  
In der nur deine Wahrheit zählt

Ich zeig dir Berge  
Zeig dir Seen  
Hier brauchst du alles nur mit meinen Augen sehen  
Und nicht zu verstehen  
Keine Angst du kannst ruhig mit mir gehen

In ein großes All  
Ganz für dich allein  
Hier kannst du endlich mal du selber sein  
Im Neon - Sonnenschein  
Fang ich dir deine Wünsche ein

Doch du siehst mich nicht  
Doch du siehst mich nicht

Ein Wunder hier  
Ein Traum gleich dort  
Grad' noch hier und doch schon fort (Du siehst mich nicht)  
Ich zeige dir mein Angesicht  
Doch du siehst mich nicht

Ein Wunder hier  
Ein Traum gleich dort  
Grad' noch hier und doch schon fort (Du siehst mich nicht)  
Ich zeige dir mein Angesicht  
Doch du siehst mich nicht

Ein Wunder hier  
Ein Traum gleich dort  
Grad' noch hier und doch schon fort (Du siehst mich nicht)  
Ich zeige dir mein Angesicht  
Doch du siehst mich nicht

# Touch

When I touch you... feeling your skin  
When I touch you... deep within  
I'll break your silence on your way to me  
I will make you everything you want to be  
When I touch you...

You know that you'll love it... you'll need it...  
For sure...  
I'm drawing your lines with my hands  
I'm weaving the dream that never ends  
I don't play hide and seek... with you... dear  
When I touch you...

Aiming fingers searching secret pleasures  
Roaming where your river seems so deep  
You know I'm going on  
I like the song you'll sing... for me  
When I touch you...

You know that you'll...

And when tension's spilling down your skin  
Love will never be what she once was  
When I touch you...

# Blind

I think of you like I often do  
When I hear the rain on my window pane  
Gently tapping at the glass  
Like your gently touching fingers  
Just looking for the smile I give to you

You can feel what no one feels  
You can hear what no one hears  
Just looking for the smile I give to you  
You can feel what no one feels  
You can hear what no one wants to hear  
Just looking for the smile I give to you

And your darkness speaks and has eyes to see  
and you know me by my voice but you know so much more than  
"Don't fight the walls they're here for all" Is what you said to me once  
I looked into your eyes and knew you were right

You can feel what no one feels  
You can hear what no one hears  
Just looking for the smile I give to you  
You can feel what no one feels  
You can hear what no one wants to hear  
Just looking for the smile I give to you

And your darkness speaks and has eyes to see  
I know that you can win the, this lifelong game we're in  
"Hey, darkness is a state of mind I can go where you would stumble" Is what you said to me  
I knew you were right

You can feel what no one feels  
You can hear what no one hears  
Just looking for the smile I give to you  
You can feel what no one feels  
You can hear what no one wants to hear  
Just looking for the smile I give to you

## Once in a Lifetime

It's getting dark too soon  
A threatening silence surrounding me  
A wind comes up from the islands

When distance fades to stormy grey,  
Washed out from the deep of the ocean,  
Here I will stand to face your wrath,  
While all the others are praying

Calm down, my heart - don't beat so fast  
Don't be afraid, just once in a lifetime  
Calm down, my heart - don't beat so fast  
Don't be afraid, just once in a lifetime

No rain can wash away my tears  
No wind can soothe my pain  
You made me doubt, you made me fear  
But now I'm not the same

You took my wife, my unborn son  
Torn into the deep of the ocean  
I don't pretend that I love you  
Cause there is nothing left to lose

And when silence comes back to me  
I find myself feeling lonely  
Standing here on the shores of destiny  
I find myself feeling lonely

I had a life to give, many dreams to live  
Don't you know that you're losing so much this time?  
Beyond the waves, I will be free  
While all the others are praying

Calm down my heart

The love in you, it does not burn  
There is no lesson you can learn  
And there are sounds you cannot hear  
And there are feelings you can't feel

Calm down, my heart - don't beat so fast  
Don't be afraid, just once in a lifetime  
I don't pretend that I love you  
And this time I'm not scared of you

## Sleep Somehow

It started with a feeling  
A special kind of feeling  
We've lost somehow

Idle thoughts are reeling  
I'm longing for your touch  
But you don't understand  
That it means so much

You leave it up to me  
To sleep somehow  
The anger that I feel  
Must leave somehow

I hear you breathe... I'm waiting  
For the morning light  
I miss you... although I'm lying  
Right by your side

You leave it up to me...

I don't know why... our time went by  
There's nothing left to feel  
Except this boring kind of anger  
That's wasting me

You leave it up to me...

A fading night... I feel the light  
(Of) A day that dawns in grey  
Overgrowing all my hopelessness... but shadows will  
stay...

You leave it up to me...

## For You

This time is hard  
It's not as easy as it was  
With you around  
You always stood by my side  
You made this world a better place  
With just a smile

I waved goodbye  
I shed a tear  
And never felt for someone  
The way I felt for you  
And I don't mean... for anyone  
I mean... for you!

And all these memories fade away  
I can feel that I will lose these images  
I tried so hard to keep  
But I never will forget  
you made it such an easy thing  
To feel at home

I waved goodbye  
I shed a tear  
And never felt for someone  
The way I felt for you  
And I don't mean... for anyone  
I mean... for you!

## Read the Lines

I read the lines  
You've left for me  
I can't believe... You've gone so far...  
I can't believe

I broke the rules  
I know it well  
I don't understand myself  
It's hard to tell

I saw the signs  
I knew from the start  
I had no answers to the questions  
You could ask

# I Don't Love You Anymore

I don't understand you saying  
"Our seas were always rough!"  
We had to make it up somehow  
But years were not enough

I will not praise the times we had  
And won't deny that I feel sad  
The silence speaks for you and me  
While we're dancing

I don't love you anymore  
And we're dancing  
You're not the one I'm falling for  
But we are dancing

I will not praise the times we had...

Look at what we have today  
I can't live without you!  
That's not what I want to say  
But it seems so true

I will not praise the times we had...

So many good times that we had  
(I) Can't help myself... I feel so sad...  
I wish that you would speak to me  
While we're dancing

I don't love you anymore

## Heroin, She Said

Walking down the streets at night  
I see her stumbling through the rain  
A skinny figure in the dark  
Her face a shade of grey

Begging here and barking there  
Shes swearing all the time  
Her fingers fumbling with her hair  
A dirty mess of grime

And she starts to cry and she's asking why  
Her life's always the same  
But she does not see, that unfortunately  
There's no one here to blame

"Heroin" she said, "was the best I had...  
No more mountains left to climb  
The world so slow... all my dreams just too high  
To be fulfilled in time...!"

She grabs my arm... and I feel alarmed  
Her fingers gripping tight  
I see her pleading eyes... so I start to disguise  
And say, that everything's alright...

And the reason why I pretended and lied  
Is that I don't want to kill  
The poor dream that's left in the deepest cleft  
Of the thing that she calls will...!

"Heroin" she said, "was the best I had...  
No more mountains left to climb  
The world so slow... all my dreams just too high  
To be fulfilled in time...!"

E
